Product Information - TINCOL				

PRODUCT NAME: TINCOL

Product Code: 13300

Description: White semi-viscous water in oil emulsion.

Intended Use/Abuse A vegetable-based greasing emulsion suitable for all yeast-raised goods and types of baking tins, sheets, trays, etc.

The viscosity of **TINCOL** allows applications with a greasing unit or by hand.

Intended for all types of consumers.

Damaged packaging can result in product contamination. Prevent exposure to air, or strong vapour to maintain organoleptic and sensory properties of the product.

Ingredients: Water, Vegetable Fat and/or Oil, Emulsifiers (E476), Acidity Regulator (E525) and Preservatives (E217).

All information and recommendations are based on tests and research believed to be reliable. No guarantee of their accuracy is made however. Since the manufacturers have no control over the conditions under which the products are transported to, stored, handled or used by purchasers, all recommendations and sales are made on the condition that the manufacturers and sellers will not be held liable for any damages resulting from their use. No representative of the manufacturers has any authority to waive or change the above provisions, but our technical staffs is available to assist purchasers in adapting the fore mentioned products to their needs and circumstances. Nothing contained herein shall imply a recommendation to infringe any patents now or hereafter in existence.
